Head Style:

Pan

Head Diameter:

0.373 inches

Head Height:

0.133 inches

Internal Drive Style:

Cross recess type ii

End Application:

2355-00-529-2246 mine resistance vehicle

Product Name:

Tap screw

Special Features:

Drill size is no.17, fully threaded, 410 stainless steel, hole size required varies according to material thickness you are fastening

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A003b0
