**Fastener Length:**

0.750 inches

**Head Style:**

Hexagon extended washer

**Width Between Flats:**

0.309 inches

**Extended Washer Diameter:**

0.435 inches

**End Application:**

Model mhu-226 munitions trailer

**Hardness Rating:**

28.0 rockwell c and 38.0 rockwell c

**Nonmachine Thread Style:**

Double flute (type f)

**Nonmachine Thread Diameter:**

0.190 inches

**Product Name:**

Screw, self-tapping

**Special Features:**

Item is made from aisi 1016-1024 steel

**Material:**

Steel

**Surface Treatment:**

Zinc

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A003b0
