Fastener Length:

0.750 inches

Head Style:

Hexagon extended washer

Width Between Flats:

0.309 inches

Extended Washer Diameter:

0.435 inches

End Application:

Model mhu-226 munitions trailer

Hardness Rating:

28.0 rockwell c and 38.0 rockwell c

Nonmachine Thread Style:

Double flute (type f)

Nonmachine Thread Diameter:

0.190 inches

Product Name:

Screw, self-tapping

Special Features:

Item is made from aisi 1016-1024 steel

Material:

Steel

Surface Treatment:

Zinc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A003b0
