# NSN 5305-01-592-1508

Tapping Screw - Page 1 of 1

#### Fastener Length:

0.750 inches

## Head Style:

Hexagon extended washer

# Width Between Flats:

0.309 inches

# Extended Washer Diameter:

0.435 inches

#### **End Application:**

Model mhu-226 munitions trailer

#### Hardness Rating:

28.0 rockwell c and 38.0 rockwell c

#### Nonmachine Thread Style:

Double flute (type f)

#### Nonmachine Thread Diameter:

0.190 inches

# Product Name:

Screw, self-tapping

# Special Features:

Item is made from aisi 1016-1024 steel

Material:

#### Steel

Surface Treatment:

Zinc

# Shelf Life:

N/a

#### Unit Of Measure:

--

#### Demilitarization:

No

# Fiig:

A003b0
