Fastener Length:

0.375 inches

Head Style:

Pan

Internal Drive Style:

Cross recess type 1

End Application:

An/fpn-63

Nonmachine Thread Style:

Double flute (type f)

Nonmachine Thread Diameter:

0.190 inches

Product Name:

Thread-cutting screw

Special Features:

Procured from star stainless screw co who procures it from multiple manufactures

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A003b0
