**Thread Direction:**

Right-hand

**Thread Length:**

0.125 inches

**Fastener Length:**

0.375 inches

**Head Style:**

Modified pan

**Head Height:**

Between 0.041 inches and 0.059 inches

**Product Name:**

Screw assembly, capt

**Screw Material:**

Stainless steel

**Screw Material Specification:**

Astma 580/a58m-98 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A500d0
