Thread Direction:

Right-hand

Thread Length:

0.125 inches

Fastener Length:

0.375 inches

Head Style:

Modified pan

Head Height:

Between 0.041 inches and 0.059 inches

Product Name:

Screw assembly, capt

Screw Material:

Stainless steel

Screw Material Specification:

Astma 580/a58m-98 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A500d0
