Thread Direction:

Right-hand

Thread Length:

0.75 inches

End Application:

Solvent parts washer model number pcs-10

Thread Diameter:

0.25 inches

Product Name:

Screw, 1/4-20 x 3/4", pan head, ss

Screw Material:

Stainless steel

Special Features:

Part of solvent filtration circuit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500d0
