Head Style:

Round

End Application:

4910-01-539-6129

Nonmachine Thread Style:

Drive screw (type u)

Product Name:

Metallic drive screw

Special Features:

Thread size: number 2-8, finish: plain grade: 18-8, style: u-drive imperial (inch) course 8-drive, 0.0008lbs.

Material:

Steel property class 18.8

Material Specification:

Astm a380 national std/spec single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A003b0
