End Application:

10-secn-17 chilled water pump

Thread Diameter:

0.1380 inches

Thready Qty Per Inch (tpi):

32

Screw Material:

Nickel alloy

Screw Material Specification:

Astm b164 alloy n04400 assn standard single material response

Special Features:

Slotted, round head

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500d0
