**Fastener Length:**

4.000 inches

**End Application:**

Kc-46 tanker

**Product Name:**

Screw

**Screw Material:**

Steel comp xm-12

**Special Features:**

O'level ata-55; ht tr to 180-200 ksi per bac5619; magnetic particle inspect per bac5425 class a; fin f-17.09; material per ams5659

**Reference Number Differentiating Characteristics:**

Item is faa certified

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A500d0
