Fastener Length:

4.000 inches

End Application:

Kc-46 tanker

Product Name:

Screw

Screw Material:

Steel comp xm-12

Special Features:

O'level ata-55; ht tr to 180-200 ksi per bac5619; magnetic particle inspect per bac5425 class a; fin f-17.09; material per ams5659

Reference Number Differentiating Characteristics:

Item is faa certified

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500d0
