**Criticality Code Justification:**

Zzzy

**Special Features:**

Steel class a or b cold drawn, stress releived astm-b164; 1-8x2.750 long

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A003b0
