Criticality Code Justification:

Zzzy

Special Features:

Steel class a or b cold drawn, stress releived astm-b164; 1-8x2.750 long

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A003b0
