Thread Direction:

Right-hand

Thread Length:

1.625 inches

Thread Diameter:

0.750 inches

Thready Qty Per Inch (tpi):

10

Criticality Code Justification:

Zzzy

Style Designator:

Round, closed

Thread Series Designator:

Unc

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A003b0
