Head Style:

Hexagon

Head Height:

2.500 inches

Width Between Flats:

0.750 inches

Thready Qty Per Inch (tpi):

7

Product Name:

Navy special project

Material:

Steel

Material Specification:

Mil-b-857 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A003b0

Mil-std (military Standard):

Mil-b-857 spec.
