Thread Direction:

Right-hand

Thread Length:

1.000 inches

Fastener Length:

0.437 inches

Head Style:

Hexagon

End Application:

Valve gate

Thread Diameter:

0.312 inches

Thready Qty Per Inch (tpi):

18

Material:

Nickel alloy

Material Specification:

Qq-n-81, class a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A003b0
