

View Online at <https://aerobasegroup.com/nsn/5306-01-479-8948>

Hole Type:

Drilled

Special Features:

Cresa286

Material:

Stainless steel

Material Specification:

Ams5737 assn standard 1st material response or ams5626 assn standard 1st material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A003b0
