Thread Direction:

Right-hand stud thread

Thread Length:

1.370 inches stud thread and 1.390 inches stud thread

Overall Length:

Between 6.840 inches and 6.860 inches

End Application:

An/wld- (v) 1, remote mine hunting system

Thread Size:

0.375 inches stud thread

Product Name:

4500 mod 1-2 prop blade stud bolt

Special Features:

Material is 3/4" diamter aquamet 22 stainless steel r.C.34

Material:

Steel

Thread Series Designator:

Unf stud thread

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A051a0
