Thread Direction:

Right-hand

End Application:

Nsn: 2420-01-535-4061 high mobility eng excavator

Product Name:

Hexagon headed bolts and set screws metric coarse grade 8.8

Special Features:

Length 80; thread diameter m10; zinc flake finish

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A003b0
