Thread Direction:

Right-hand

Head Style:

Hexagon

Head Height:

0.250 inches

Width Between Flats:

0.741 inches

End Application:

1520-01-492-6324 helicopter, utility

Product Name:

Bolt, tension, hex head, close tolerance

Special Features:

Nom thread size .5000; alloy steel, short thread, reduced major thread dia, 160 ksi ftu

Material:

Steel

Surface Treatment:

Chromium

Thread Series Designator:

Unjf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A003b0
