Close Tolerance Bolt - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5306-01-558-1946

Thread Direction:
Right-hand
Head Style:
Hexagon
Head Height:
0.250 inches
Width Between Flats:
0.741 inches
End Application:
1520-01-492-6324 helicopter, utility
Product Name:
Bolt, tension, hex head, close tolerance
Special Features:
Nom thread size .5000; alloy steel, short thread, reducted major thread dia, 160 ksi ftu
Material:
Steel
Steel Surface Treatment:
Surface Treatment:
Surface Treatment: Chromium
Surface Treatment: Chromium Thread Series Designator:
Surface Treatment: Chromium Thread Series Designator: Unjf
Surface Treatment: Chromium Thread Series Designator: Unjf Shelf Life:
Surface Treatment: Chromium Thread Series Designator: Unjf Shelf Life: N/a
Surface Treatment: Chromium Thread Series Designator: Unjf Shelf Life: N/a Unit Of Measure:
Surface Treatment: Chromium Thread Series Designator: Unjf Shelf Life: N/a Unit Of Measure:
Surface Treatment: Chromium Thread Series Designator: Unjf Shelf Life: N/a Unit Of Measure: Demilitarization:
Surface Treatment: Chromium Thread Series Designator: Unjf Shelf Life: N/a Unit Of Measure: Demilitarization: No
