**End Application:**

F-18 acft

**Grip Length:**

0.698 inches

**Product Name:**

Bolt, shoulder-hexagon head

**Special Features:**

Bolt, shoulder, .1900-32, undrilled, .698; heat treated 125, 000-145, 000psi units; cadmium plate per qq-p-416 type ii, class2

**Material:**

Stainless steel

**Material Specification:**

Mil-b-6812 military specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A003b0

**Mil-std (military Standard):**

Mil-b-6812 spec.
