Thread Direction:

Right-hand

End Application:

Integrated family of test equipment (ifte)

Product Name:

Fasterner, quick connector, rigid, vertical

Special Features:

10mm t-bolt and 17mm barrel

Material:

Steel property class 8.8 locking feature

Surface Treatment:

Zinc locking feature

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A003b0
