Fastener Length:

0.784 inches

Head Style:

Button

Head Diameter:

0.537 inches

End Application:

B1

Product Name:

Screw, cap, button head

Material:

Stainless steel

Material Specification:

Ams5647 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A003b0
