Thread Direction:

Right-hand

Head Style:

Hexagon

Head Height:

0.156 inches

Width Between Flats:

Between 0.492 inches and 0.502 inches

Grip Diameter:

Between 0.311 inches and 0.312 inches

Product Name:

Bolt, tension, hex head, close tolerance, alloy steel, short thread, reduced major thread diameter, self-locking, 160ksi

Special Features:

Bolt, configuration

Material:

Steel fastener

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A003b0
