**Thread Direction:**

Right-hand

**Thread Length:**

1.000 inches

**Head Style:**

Flush

**End Application:**

4910-01-627-0524

**Thread Diameter:**

0.250 inches

**Product Name:**

Bolt elevator

**Special Features:**

Square wrenching facility between underside of flat head and threads

**Color:**

Black fastener

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A003b0
