Thread Direction:

Right-hand

Thread Length:

1.000 inches

Head Style:

Flush

End Application:

4910-01-627-0524

Thread Diameter:

0.250 inches

Product Name:

Bolt elevator

Special Features:

Square wrenching facility between underside of flat head and threads

Color:

Black fastener

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A003b0
