Thread Direction:

Right-hand

End Application:

(dwg title) fuel system-interconnecting test bed, t56 engine qec turbo prop engine test sytem

Product Name:

Bar, u, bolt

Special Features:

3/16 x 3/4 x 2 1/4

Material:

Steel

Material Specification:

Aastm=a108-1018 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A003b0
