Thread Length:

0.25 inches

Product Name:

Bolt, internal wrenching

Special Features:

Material alloy steel, thread t 1/4-28 unjf-3a

Supplementary Features:

Airplane, cargo-transport, botl dimensions and tensile strength maximum , 2492 0.68, h/hex max.1900 inm .1880

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A003b0
