Internal Wrenching Bolt - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5306-01-648-1890

Thread Length:
0.25 inches
Product Name:
Bolt, internal wrenching
Special Features:
Material alloy steel, thread t 1/4-28 unjf-3a
Supplementary Features:
Airplane, cargo-transport, botl dimensions and tensile strength maximum , 2492 0.68, h/hex max.1900 imn .1880
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A003b0
