Thread Direction:

Right-hand

Thread Length:

1.00 inches

End Application:

1015-01-598-4568

Thread Diameter:

0.375 inches

Product Name:

Screw, cap socket

Special Features:

Drilled head

Material:

Steel

Surface Treatment:

Zinc

Surface Treatment Specification:

Astm a 354, grade bd international std/spec single treatment response

Thread Series Designator:

Unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A003b0
