Hardness Rating:

58.0 rockwell c

Surface Finish:

63.0 microinches ball end

Material:

Steel comp 440c

Material Specification:

Ams5630 assn standard single material response

Test Data Document:

36659-lc+72-1076 standard (includes industry or association standards, individual manufactureer standards, etc.).

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A051a0
