Overall Length:

2.500 inches

End Application:

NSN4-92-001-3603

Material:

Steel

Material Specification:

Astm a36 assn standard all material responses

Surface Treatment:

Oxide

Surface Treatment Specification:

Mil-dtl-13924 military specification all treatment responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A051a0

Mil-std (military Standard):

Mil-dtl-13924 spec.
