Overall Length:

8.250 inches

End Application:

2320-01-530-3843

Product Name:

Rod, spreader bar

Special Features:

Both ends have 1" of threads 0.75-10 unc-2a

Material:

Steel

Material Specification:

Astm a575, grade 1045, bar, round, unsg10450, 0.750dia assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A051a0
