Thread Direction:

Right-hand stud thread

Overall Length:

2.750 inches

End Application:

3830-01-538-1421, winch attachment, single drum, model pa80

Product Name:

Stud - 1/2 - 13 - 2 3/4

Special Features:

Thread diameter is 0.500 inches ; number of threads per inch are 13; stud length is 2.750 inches ; stud head is hexagon; nha is hydraulic control

Style Designator:

Self-locking

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A051a0
