Material Thickness:

Between 0.014 inches and 0.016 inches

Mating Member Diameter Accommodated:

0.750 inches

Nut Style:

Push on

Nut Diameter:

Between 0.990 inches and 1.010 inches

Material:

Steel comp 1065 or st1566 or steel comp 1069 or st1070 or steel comp 1572 or steel comp 1074 or steel comp 1075 or steel comp 1078
or steel comp 1080 or steel comp 1084 or steel comp 1085 or steel comp 1086 or steel comp 1090

Material Specification:

66 federal standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A021a0
