Hole Diameter:

1.375 inches

Outside Diameter:

1.875 inches

Recess Diameter:

1.500 inches

Material Thickness:

0.093 inches

Recess Angle:

90.0 degrees

Product Name:

Navy special project

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-200/8 federal specification single material response

Surface Treatment:

Anodize

Style Designator:

Recessed

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
