**Thread Direction:**

Right-hand

**Locking Feature:**

Prevailing torque all metal design

**Radius:**

9.140 inches

**Overall Width:**

0.520 inches

**Nut Style:**

Gang channel, self locking

**Channel Style:**

Radius type

**Assemblyheight:**

0.358 inches

**Channel Height:**

0.130 inches

**Nut Quantity:**

23

**Material:**

Steel nut

**Material Specification:**

Ams5642 assn standard single material response nut

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A021a0
