**Thread Direction:**

Right-hand

**Locking Feature:**

Prevailing torque all metal design

**Radius:**

7.750 inches

**Overall Width:**

0.516 inches

**Nut Style:**

Gang channel, self locking

**Channel Style:**

Radius type

**Assemblyheight:**

0.358 inches

**Channel Height:**

0.130 inches

**Nut Quantity:**

24

**Features Provided:**

Floating nut

**Material:**

Steel nut

**Material Specification:**

Ams5525 assn standard single material response nut

**Precious Material:**

Silver

**Surface Treatment:**

Silver nut

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A021a0
