Hole Diameter:

Between 0.781 inches and 0.786 inches

Outside Diameter:

1.250 inches

Overall Height:

0.125 inches

Material Thickness:

0.022 inches

Features Provided:

Casehardened

Hardness Rating:

Between 45.0 rockwell c and 48.0 rockwell c

Material:

Steel comp 1075

Material Specification:

Aisi assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
