Material:

Aluminum alloy 5052 mounting

Material Specification:

Qq-a-50 federal specification single material response mounting

Surface Treatment:

Oxide film mounting

Surface Treatment Specification:

Mil-c-5541, type 1, class 2 military specification single treatment response mounting

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A021a0

Mil-std (military Standard):

Mil-c-5541 spec.
