End Application:

An/alq-155 or an/alt-28

Heat Treatment:

As fabricated

Material:

Steel comp 304

Material Specification:

Qq-s-764 federal specification single material response

Surface Treatment:

Passivate

Surface Treatment Specification:

Mil-f-14072 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0

Mil-std (military Standard):

Mil-f-14072 spec.
