Cross Sectional Shape:

Rectangular

Edge Shape:

Round

Center Hole Shape:

Octagon

Thickness:

0.250 inches

Overall Diameter:

3.312 inches

Hole Width Across Flats:

1.562 inches

Product Name:

Navy special project

Material:

Steel comp 304

Material Specification:

Qq-s-763 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
