Hole Diameter:

0.281 inches

Outside Diameter:

0.440 inches

Overall Distance Including Keys:

0.688 inches

Material Thickness:

Between 0.027 inches and 0.035 inches

Material:

Steel

Material Specification:

Ams5516 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
