Hole Diameter:

2.800 inches

Outside Diameter:

3.145 inches

Overall Height:

0.158 inches

Material Thickness:

0.105 inches

Material:

Steel comp 1065 or steel comp 1095

Material Specification:

Qq-s-698 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
