Hole Diameter:

0.193 inches

Outside Diameter:

0.500 inches

Overall Height:

0.078 inches

Material Thickness:

0.032 inches

Product Name:

Navy special project

Material:

Aluminum alloy 1100

Material Specification:

Qq-a-561 federal specification single material response

Surface Treatment:

Cadmium

Style Designator:

Finishing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
