Hole Diameter:

1.480 inches

Outside Diameter:

1.650 inches

Overall Height:

0.080 inches

Material Thickness:

0.045 inches

Heat Treatment:

As fabricated

Material:

Steel comp 631

Material Specification:

Ams 5529 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
