Hole Diameter:

0.193 inches

Shoulder Diameter:

0.250 inches

Outside Diameter:

0.625 inches

Shoulder Height:

0.060 inches

Material Thickness:

0.060 inches

Product Name:

Navy special project

Material:

Aluminum alloy 6061

Surface Treatment Specification:

14, fscm 90073 mfr ref single treatment response

Style Designator:

Shouldered

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A022b0
