Hole Diameter:

0.441 inches

Outside Diameter:

0.654 inches

Overall Height:

0.075 inches

Material Thickness:

0.010 inches

Product Name:

Navy special project

Material:

Steel comp 301

Material Specification:

Qq-s-766, class 301, temp 1/4 hard federal specification single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A022b0
